

## Mrs. Phillips' Weekly Focus December 17-20, 2018

This will be a very unusual week. With only four days and being right before Christmas break, we will not accomplish much in the way of introducing new material. We plan to read about the holidays, write about the holidays, and do some fun "make you think" holiday puzzles. On Monday we'll have our classroom Spelling Bee and then on Wednesday have the third grade Spelling Bee for the winners in each room. On Thursday we will have the Mini-economy Movie and our Holiday Party. Mrs. Trammell is in charge of the party.

Please be sure to send in something for the Humane Society. Thanks to you to those of you who already have.

### Reading

We will be reading a writing about the holidays this week.

### Spelling

No spelling list this week or the one we come back.  
The classroom spelling bee will be on Monday. The 3rd grade Bee will be on Wednesday.

### English

There will be no new rule this week.

**Math:** We will work on Topic 9 this week and try to cover anything that got put off last week and the following:

Topic 9-6 Subtracting three digit numbers

Topic 9-7 More Subtracting three digit numbers

Topic 9-8 Problem Solving

The next timed division test will be over the **dividing by 5 on Thursday**

**Have a very happy holiday and a restful vacation!**
